

Where will you be when the lights go out?

Join us April 5th - 9th in Jasper Arkansas for a sound filled weekend. Created with Faye Henry and her magical gongs.
The grand finale - being in the totality zone for the eclipse.

In the Ozark Mountains with a beautiful secluded property to enjoy the gongs, nature and the total eclipse in 2024

Limited to only 8 at the Cabin

Daily fun with sound to raise your vibrations.

- Cabin offers wifi, central heat & air
- 3 Bedrooms with 2.5 baths sleeps 8
- Mountain views from every room
- 15 Acres of private property to enjoy.
- Wrap around balcony
- Lots of space in the cabin & 15 acres outside
- Cabin rules prohibit pets & smoking on property

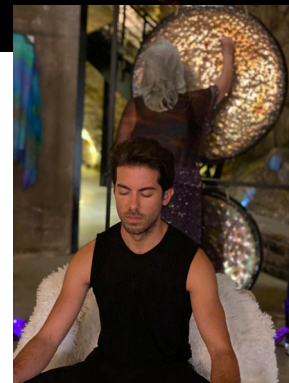

Retreat style sleeping quarters. Each person will have their own bed yet bedrooms will be shared. The cabin has 2.5 baths which will also be shared.

On Monday for the eclipse I will be playing at the Echoes & Eclipse event at Beckham Creek Cave. If you have tickets, you can join me there. If not, you have 15 acres outside with a clear sky view to enjoy the eclipse at the cabin in the beautiful Ozark Mountains. Details at www.EchoesandEclipse.com

\$472 per person for space from Friday, the 5th until Tues Morning the 9th. Lots of outside hiking areas to explore. Five miles to the Buffalo River.

Pay by check, venmo or zelle. Call me to reserve your space. 706 331 5446

I plan to bring all my food because there are limited local restaurants and I feel sure they will be full. If you want to include meals, the extra cost will be \$135 per person. Breakfast will be make your own, ingredients provided. Lunch will be salads, soups, sandwiches. All organic ingredients. Many vegetarian options, some meat will be served. Grass Fed or pasture raised. Coffee, tea, and juices provided. Bring containers and I will take you to a spring to collect fresh spring water. Or bring your own food. When you reserve, you can give me your food preferences and if able, I will accomodate your desires.

Faye playing gongs as seen on Netflix in "The Worlds Most Amazing Vacational Rentals" with show host Luis D. Ortiz

“If you want to find the secrets of the universe, think in terms of energy, frequency, and vibration.” Nikola Tesla

Join me as we raise our vibrations together and enjoy the Great Eclipse of 2024. Jasper is in the totality zone.
