What is an aura and why would I want to do this?

Around our physical body, we have several energy fields. These energy fields are known as Auras. They tell us a lot about our mental, physical and spiritual status in any given moment of time. The aura is the individual expression of the universal live force energy.

Learning about your aura and how to create a healthy aura is very helpful to maintain physical health. To change any condition in your life, you need to generate the spiritual power necessary to make that change. The place you generate that spiritual energy is in your aura. Health manifests in the aura first....is your aura healthy? Come see!

The aura imaging takes about 15 minutes...pay in advance and schedule a specific time or drop in and wait for the next open slot. Contact Mary Jo for scheduling at The Laughing Buddah or 423-504-3923. If you have questions about the aura imaging, contact Faye at 706-857-6300.
